In addition to the form, you are required to submit: 1) records sufficient to demonstrate that you used or were administered a covered countermeasure; 2) records sufficient to demonstrate that you sustained a covered injury; and 3) a copy of each signed Authorization for Health Information Form authorizing the release of records to the Program that you sent to each of your healthcare providers instructing that your records be submitted directly to the Program. 42 C.F.R. §110.51(a).

You must arrange to have your providers submit the following medical records:

- (1) All medical records documenting medical visits, procedures, consultations, and test results that occurred on or after the date of administration or use of the covered countermeasure; and
- (2) All hospital records, including the admission history and physical examination, the discharge summary, all physician subspecialty consultation reports, all physician and nursing progress notes, and all test results that occurred on or after the date of administration or use of the covered countermeasure; and
- (3) All medical records for one year prior to administration or use of the covered countermeasure as necessary to indicate an injured countermeasure recipient's pre-existing medical history.
- (4) Proof of vaccination.

42 C.F.R. §110.50(a).

To date, the CICP has received copies of the signed "Authorization for Use or Disclosure of Health Information" form(s) **but has not received** the necessary medical records from your providers.

Please complete the steps outlined below to ensure that the CICP receives your medical records and the Request for Benefits can be processed and evaluated for CICP medical eligibility.

1. Complete an "Authorization for Use or Disclosure of Health Information" form for each healthcare provider that the requester visited, requesting records from the year prior to the use or administration of the countermeasure to the present. For example, if the requester received the covered countermeasure on January 1, 2021, please request the records for the time period between January 1, 2020, and the present date. If necessary, you can download additional "Authorization for Use or Disclosure of Health Information" forms from the CICP website: <https://www.hrsa.gov/cicp/filing-benefits>.
2. Submit the completed "Authorization for Use or Disclosure of Health Information" form(s) to requester's healthcare provider(s) so that they can send us the records AND mail a copy of each completed "Authorization for Use or Disclosure of Health Information" form(s) that you submitted to the CICP either online at this link: cicpsubmit.hrsa.gov, or to the following address:
